*The 8 calories and 0 carbs are directly applicable to all XS flavors except: Peach Tea Blast, Tea-Berry Blast and Electric Lemon Blast.

Selected content information in the chart is as stated on each label as of April 2007. Trademarks are owned and maintained by their respective holders.

CRANBERRY-GRAPE BLAST

The original flavors of cranberry and grape collide in a rush of energy creating the perfect pick-me-up without any sugar.

Available in Caffeine-Free

CITRUS BLAST

A powerful mix of orange, lemon, and lime to boost your energy levels without the sugar crash from other energy drinks.

TROPICAL BLAST

Passion fruit, peach, and pineapple swirl in a tsunami of B-vitamins to energize body and mind without the sugar crash.

Available in Caffeine-Free

CHERRY BLAST

The tartness of cherries and the antioxidant power of pomegranate come together to offer a new way to energize your life.

ELECTRIC LEMON BLAST

Inspired by old-fashioned lemonade, this boost of energy provides a high-voltage charge that pushes you to the limit.

BLACK CHERRY COLA BLAST

Traditional cola flavor meets vibrant black cherry in this rock-and-roll infused energy drink that lasts all day and all night.

COLA BLAST

A new kind of cola is coming at you with an intense burst of energy, but this time it left the sugar and carbs behind.

ROOTBEER BLAST

The first rootbeer energy drink on the market has the same sarsaparilla flavor with none of the sugar or carbs.

Available in Caffeine-Free

TEA-BERRY BLAST

Green and black tea with a hint of raspberry is a great source of energy with vitamins, EGCG, and antioxidants.

PEACH TEA BLAST

Ripe peaches team up with white, green, and black teas to put a little skip in your step without adding sugar or carbs.
